

DENTAL OIL-FREE AIR COMPRESSOR

Oil-free Technology | Powerful & Quiet

INTRODUCTION

Clean and dry air is very important in actual clinical treatment environment and is the basis for ensuring the health of patients. Therefore, the choice of dental compressor is very important for hospitals or Labs.

The right choice of dental compressor can satisfy all air compressor needs for current or the future. "Runyes Oil-Free Air Compressor" can guarantee every need of users. It is the best choice for customers, no matter from the view of performance and investment, or product integrity and quality.

■ Low Noise

Runyes dental electric oil-free air compressor with excellent design reduces the operating noise to 70 decibels. High efficiency design and perfect cooling system make it more attractive.

■ Oil-free Compression

Provide oil-free compressed air, which is more suitable for dental treatment requirements.

■ Dual Overload Protection Safer to Use

Each machine is equipped with a safety valve and built-in overheat protector to strengthen the protection of the motor.

■ Cylindrical Vent

The overall pump, with large holes, has good and quick heat dissipation.

■ Triple Filtration Device

Ensure safe, stable, continuous and efficient operation.

Model	Voltage Frequency	Rating Power	Gas tank volume	0.4Mpa Displacement	Max pressure	Rotating Speed	Noise	Packing Size	GW	Pump Quantity	Matchable dental chairs
